Visual Documentation Notice
This Visual Buyer's Pack has been prepared to provide potential buyers with a structured photographic and visual record of the asset at the time the photographs and recordings were made. RMG does not provide a mechanical, electrical, engineering, safety or technical inspection unless specifically stated in writing. Visual observations are descriptive only and must not be interpreted as professional diagnoses or guarantees regarding the condition, functionality or future performance of the asset. Buyers are encouraged to conduct their own inspection and make independent enquiries before bidding. Assets are sold in accordance with the applicable auction terms and conditions.
